

GMprecision

24/7 one hour slot delivery

If you're working on a secure site, have delivery restrictions or need to keep your engineers on site and productive, our **GMprecision** service gives you a **PRECISE** time slot for your delivery. So don't lose time and money waiting for your delivery. Choose our **GMprecision** service, tell us when you need your materials on site, and we will get them there within a 1 hour window, guaranteed.

GMprecision is perfect when...

Your delivery must be in a precise time window

You need a delivery to a high security site

You have restrictions like a pedestrian zone

Your project requires white glove special care

GMprecision features

- ✓ Guaranteed 1 hour time slot delivery 24/7
