

# GMprime

## Free premium early delivery

### IT'S EARLY, FAST & FREE!

We have invested in the very latest logistics software and industry expertise, which means **GMprime** is not your average delivery service. Our delivery performance statistics clearly show that we are continually delivering all our customer orders earlier and earlier.

**GMprime** is the ideal delivery service for all your ongoing projects that you are regularly feeding with materials. The only time that you need to upgrade to our very special **GMprecision** 24/7 one hour slot delivery is where you have special site considerations or delivery restrictions.

**GMprime** is the perfect answer for your everyday delivery requirements.

#### GMprime features

- ✓ FREE nationwide delivery on all orders\*
- ✓ 5pm order cut-off
- ✓ From 6.30am Monday to Friday
