## Centralised customer collection hub

If you need to **collect** an urgent order **EARLY, LATE** or **SAME-DAY**, we're strategically based in Kempston. With great access to the M1 and A1, our customer collection hub is extremely convenient if you have projects or engineers based in or around the region.

Need your materials early the next day so you can be on site and productive first thing? With **GMcollect** you can order by 5pm and you can collect from 5am the next morning.

Forgotten to include something on your regular delivery, or simply need it in a hurry? Place same-day **GMcollect** order and collect it from our hub after 90 minutes.

The **GMcollect** hub is also the ideal location for returning your empty cylinders and collecting new ones.
