

# CORONAVIRUS ADVICE FOR CONSTRUCTION SITES

Do you need to be here for this site to operate?

Wash your hands frequently or use hand sanitiser.

Keep 2 metres apart as much as possible.

Avoid skin-to-skin and face-to-face contact.

Stay in small teams, rather than mixing crews.

Keep windows of closed machinery open and wash hands after using.

Clean inside of cabs regularly.

Try to use stairs rather than lifts or hoists.

Only come to work if you and your immediate family are well.
