

Create the perfect birdfeeder from a loo roll

This Toilet Paper Roll Bird Feeder is a really simple craft to make and once it is done, you can hang it in your garden to attract wild birds.

MATERIALS

- Empty toilet paper roll
- Peanut butter
- Bird seed
- Knife
- Paper plate
- String
- Scissors

STEP 1: PREPARE THE MATERIALS

Spread bird seed onto a paper plate. Set aside.
Cut a piece of string about 18"/45cm long, for each bird feeder and set aside.

STEP 2: APPLY THE GLUE

Use a knife to spread peanut butter on the outside of a toilet paper roll.

STEP 3: STICK ON THE SEEDS

Roll the toilet paper roll onto the bird seed, pressing gently so the seed sticks to the peanut butter.

STEP 4: COMPLETE

Tie a string through the roll and hang on a tree for birds to enjoy.

OPTIONAL EXTRAS

Punch holes in the base of the tube and thread thin sticks through. This will help multiple birds feed at the same time!
